

Project: SCADArf Wonderware Upgrade

Customer: Sample ITS SCADArf Wonderware Upgrade Quote

For: Sample Customer

Project #: XXXX

By: Integrated Telecommunication Systems Inc.

Date: XX/YY/ZZZZ

Product	Type	Total
Hardware	H	\$2,950.00
Software	S	\$16,648.00
Labor (in house)	L	\$4,250.00
Trips (on site)	T	\$5,600.00
Project Total		\$29,448.00

Notes:

- 1 Customer must sign *Statement of Work - SCADArf Basic* . If the document does not meet customer requirements ITS can provide a custom *Statement of Work - SCADArf Advanced* document. This custom document requires a billable trip to the customer as well as time and materials to generate the document.
- 2 Year 2000 Readiness Disclosure: The system proposed within this document consists of products manufactured by Motorola, Micron, Wonderware, Microsoft, and others. Currently, each manufacturer claims that the products referenced within are Year 2000 compliant. As system integrators, Integrated Telecommunication Systems does not provide additional Year 2000 assurances beyond what is currently offered by each referenced manufacturer.
- 3 This quotation does not include any hardware or installation pricing for MOSCAD FIU or RTU(s).
- 4 Payment terms are 35% upon receipt of order, 45% upon delivery, and 20% upon completion. Invoices are payable within thirty (30) days with interest on the unpaid balance at the rate of 1-1/2% per month.
- 5 All equipment becomes property of customer upon receipt.
- 6 ITS SCADArf, GFUI-RF, IFIU-RF and GRTU-RFb include a sixty (60) day warranty beginning upon completion of System Integration Trip.
- 7 ITS SCADArf customer references available upon request.

Customer Sign-Off:

_____ **Print Name**

_____ **Customer Signature** _____ **Date**

The Customer **MUST** sign and fax (847-368-0270) a copy of this front page to Integrated Telecommunication Systems confirming agreement with the terms and conditions defined in this proposal.
